

Housing Overview: 2017-18 Academic Year

Dear academic year students,

Housing is an important part of your quality of life as a student at MISD and we encourage you to give it thought as early as possible so you can find the best fit for your situation. We have gathered some housing options for you to consider as you plan your stay with us, and you will surely think of other creative options on your own!

ACADEMIC YEAR HOUSING RESOURCES

- **Facebook Housing & Transportation Board**
Our Facebook Housing and Transportation Discussion Board is a great place to network about shared housing and/or carpools. It can be found here: <https://www.facebook.com/groups/129682890556081/> or search **MISD 2017-18 Housing & Transportation Board**. In the upper right hand side of the page there is an option called “Join Group”. Click on that button and wait up to 24 hours to be approved.

- **Solazzo Apartments**
There is a complex across the street from MISD called Solazzo Apartments. Past students have found this placement convenient because it is easy walking distance from MISD and also from two major shopping centers. Although living without a car is not generally recommended in this area, renting from Solazzo is one way to make that arrangement work.
