

LePort Montessori Schools in Carlsbad, Encinitas, and Solana Beach are seeking warm, friendly, organized, responsible, and flexible teacher assistants to work with infants, toddlers, and primary children in an authentic Montessori environment. Must have 12 ECE units. Hours are usually 8-5, but might occasionally be 7-4 or 9-6. We are looking for energetic people to be a part of our close and connected community of staff and families. We are especially interested in individuals who enjoy singing, arts and crafts and love being outdoors. The position can be a great stepping stone to a Head Teacher position at one of our schools.
