

# Great Work Montessori School

At Great Work Montessori school our Mission is to support every child in becoming a joyful and courageous agent of peace, builder of community, and creator of justice and beauty. We believe that social justice must be the heart of the school curriculum. It is the spark that ignites our mission. We are building a new kind of urban Montessori school from the ground up, and we are seeking the Montessori guides to help us realize our vision. Are you ready to be a part of a team that is getting back to Montessori pedagogy at a fundamental level while also developing the most innovative Montessori program in the world? We're ready for you!

Great Work Montessori School is a new charter public Montessori school opening Fall of 2017. We will serve children ages 1 through 3rd grade in our first year, and grow a grade level each year. Located in east Lakewood, we strive to offer an authentic Montessori experience that honors every child and family we serve. Our community prides itself on our strong AMI foundation as it will help us to develop innovative thinkers with strong internal drive. We seek to engage Montessori guides in a collaborative community that values open communication and self-direction.
