

We are open to receiving a Soulful, Dedicated Being as our new Guide / Assistant to Guide

Reaching to

Find a helping hand, a seeker, an open heart and a kind, joyful, calm spirit in collaboration, to assist the head guide / owner, in later transition; to being the head guide to children of 3-6 years.

Our hope

Is that we find a guide who is open to assisting the vision of our Montessori environment, in assisting none other than the core values of the Montessori method of education for Peace, with love as its' foundation.

Solution

Please send a letter with openness to what you are hoping to accomplish by working with children and what you might see, in being your role as assistant to the guide and transitioning to guide in the classroom. We together will set the pace!

Professional qualifications: - AMI training 3-6.

What we can give you

We will support you **fully** in your true identity of establishing and taking forward the mission and vision of Peace education as you understand it, at best. We will elevate "consciousness" of the whole being in an environment that helps all, as we respect laws of nature in all of our becoming. We are available in need with purpose. We are all in it together!
