

# IMMEDIATE OPENING FOR AMI ELEMENTARY GUIDE

Pioneer Meadows Montessori School, located in the beautiful Pacific Northwest, is looking for an AMI Elementary trained guide to accept a position for the 2017-2018 school year. Special consideration will be given to candidates with upper elementary experience.

## Pioneer Meadows Montessori School

### Ferndale, Washington

Pioneer Meadows Montessori School offers two fully-equipped Children's Houses and a lower and upper elementary program. The school is located on a 5.5 acre property with beautiful views of Mt. Baker and the San Juan Islands. Chickens and sheep are some of our resident "farm" animals. The property is located adjacent to a 30+ acre undeveloped city-owned parcel containing a salmon stream where the children make frequent excursions.

Pioneer Meadows is committed to AMI principles and offers a supportive administrative staff and parent community. The school is approximately 45 miles from the Montessori Training Centre of British Columbia, an AMI training center. The training center offers conferences and lectures throughout the year. In addition, Pioneer Meadows hosts interns and observers from the training center. Each teacher has an allotment of funds available to attend conferences and/or refresher courses.

Pioneer Meadows has a very supportive and active parent community. We are committed to making Montessori education accessible to as many children as possible and to keeping tuition costs down.

Whatcom County is a great place to live. Bellingham has a growing cultural scene and is frequently rated one of the top small liveable cities in the country. We are between the two exciting cities of Vancouver, B.C., and Seattle. Outdoor opportunities abound, including world-class diving, sea kayaking, sailing, hiking, mountaineering and birdwatching.
