

POSITIONS AVAILABLE

Pacific Rim International School (PRINTS) is seeking AMI-trained teachers who are native speakers of English, Japanese, or Mandarin for the *Nido*, Infant Community, Children's House and Elementary levels. As we consider teachers to be vital elements to the success of our programs, we are eager to offer AMI-training sponsorship to motivated candidates.

PRINTS is a unique, AMI-recognized, dual immersion school which offers two exciting and innovative tracks: a Chinese-English program and a Japanese-English program. Each environment has three trained adults working together, each speaking and teaching in his/her mother tongue. Individuals with experience and fluency in one of these languages are strongly encouraged to apply (bilingualism is not required). At the heart of our programs is a shared passion for culture in all its variegated aspects and a commitment to meaningful education.

Our two campuses are located on both sides of the bustling San Francisco Bay: in the vibrant community of Emeryville in the East Bay and sunny San Mateo, south of San Francisco. Our emphasis on multiculturalism reflects the trademark cosmopolitan aspect of the larger San Francisco community.

If you share an enthusiasm for Montessori and cultural exchange, please tell us about yourself and send your resume to:
