School in the Hills is growing! We have opened our second campus in River Place and we are seeking fun, loving, and passionate individuals who love working with children! Fast paced, collaborative, team-based environment with opportunities for professional growth. Full benefits package and 401k, including paid vacation and sick time.

**Certified Teacher in an Elementary Community:** With such committed families, our elementary community is thriving! We have added an additional Lower Elementary classroom and will begin growing into Upper Elementary in the 2017-2018 school year. We are seeking fun, loving, and passionate teachers with MACTE accredited Montessori certification at the Elementary level (6-9 or 9-12) interested in the possibility of joining our Elementary team! Be a part of the excitement of growing a successful Elementary community! Year-round and 10-month academic year schedules are available.

**Co-Teacher in a Primary Community:** School in the Hills is seeking a fun, loving, and passionate teacher with MACTE accredited certification at the Primary (3-6) level to join our team! Be a part of a collaborative community of Montessorians joined by their love of children! Year-round and 10-month academic year schedules are available.

School in the Hills is a premier private school offering quality Montessori education in Austin, Texas. We are a collaborative, team-based environment of passionate Montessorians serving children from 18 months through 3rd grade.

Using the Montessori philosophy as a true north, we prepare an environment that nurtures and inspires each of our unique students. Fostering a collaborative school community gives each child the opportunity to develop into a confident life-long learner.
