

Primary, Elementary, Early Adolescent and Adolescent Positions available in Milwaukee Public Schools Montessori Programs

Montessori programs in Milwaukee Public Schools feature six district schools providing a high quality Montessori program to more than 3,000 Milwaukee students in grades K3-12. Begun in 1976, MPS has one of the most established public Montessori programs in the nation. Our classrooms feature:

- Complete Montessori materials
- Paraprofessional support for primary and elementary classrooms
- A K3 and extended day K4 and K5 programs
- A diverse student population
- Montessori-trained support staff to guide newly trained teachers
- Active and involved parents

Positions include:

- Minimum starting salary of \$41,200
- Health, Dental and Vision Insurance
- Group Term Life Insurance
- Pension-Wisconsin Retirement System
- Health and Dependent Care Flexible Spending Programs
- Wellness Program with Financial Incentives

Candidates need an AMI diploma or are completing one, a Bachelor's degree and must obtain a state teaching license within one year of employment. Licensing assistance is available.
