Sakura International School is a leading Montessori School in Vietnam. Our school has around 300-400 children. We're having 20 teachers from Philippines, Australia, America, England, France, Canada and now we're recruiting more experienced foreign teachers.

Sakura Montessori Kindergarten is built with the international kindergarten standard on a 1000-square meter area. Its facilities include the most modern teaching tools and equipment, wonderful playgrounds and green gardens.

Sakura Montessori's teachers, who are trained to meet the standards of the international and Japanese education system, are professional, dedicated and pedagogically qualified.

With the constant attempt to improve educational quality and teaching standards, Sakura Montessori succeeds in making parent's desires and expectations come true in order to create a friendly, educational environment, as well as happiness, love and knowledge for children.
