

Our school has a Lower Elementary and an Upper Elementary guide position open for this upcoming academic year

Join our team and family in 2016-17! At Montessori For All, we aspire to change the conversation about what's possible in education by creating high-quality, public Montessori schools in diverse communities. Our flagship campus, located in Austin, is growing and seeks guides in Lower and Upper Elementary.

Ideal candidates are committed to guiding children from a variety of socioeconomic backgrounds and closing disparate opportunity gaps for children, all while providing an authentic Montessori experience and cultivating tomorrow's leaders. Magnolia Montessori For All is a collaborative and involved community, and candidates should feel comfortable working as a member of a team.

If you are interested in growing with us, please e-mail your resume to saracotner@montessoriforall.org.
