

Dear AMI Trainer,

I am seeking to recruit AMI trained Montessori teacher candidates for Milwaukee Public Schools. Please post this letter along with the attached announcement.

We have had authentic Montessori implementation since 1976 and now have six public schools and one charter school. We are the largest public Montessori program in the country. We are currently planning to expand the number of Montessori schools in our district.

We support new teachers. New teachers meet with trained Montessori mentors weekly to support their further development. New teachers will also have experienced buddy teachers at their level to consult on their teaching practice.

Our school principals are either Montessori trained or have had experience with the Montessori curriculum and pedagogy.

I look forward to speaking to any of your students who are interested in learning more about teaching in Milwaukee Public Schools next year.

Sincerely,

Tim Duax, PhD (Bergamo, 1976)
Montessori Liaison
Milwaukee Public Schools

AMI TEACHER POSITIONS

Fall 2017

Milwaukee Public Schools, Wisconsin, USA

- * Primary, Elementary, Adolescent Positions available
- * Bilingual Primary Positions (Spanish/English) available

JOIN US! Over 90 AMI Montessori teachers and a vibrant AMI training center in one of the largest Montessori communities anywhere! This coming year, due to program expansion and retirements, primary and elementary teachers are needed.

Begun in 1976, we are one of the most established public Montessori programs in the nation. Montessori programs in MPS-Milwaukee Public Schools feature seven district schools providing authentic Montessori programs to students in grades K3-12.

NEW SITE! We will open a new Dual Language Montessori school in fall 2017 - bringing together two successful MPS programs: bilingual education and Montessori. *Your opportunity to grow a completely new school in a supportive Montessori environment. Program will start with only three and four year olds and grow each year.*

Candidates must obtain a Wisconsin state teaching license within one year of employment using a program tailored for Montessori teachers. First year teacher assistance provided by AMI mentors.
