

Meadows Montessori School

Missoula, Montana

Meadows Montessori School is seeking a certified 3-6 Montessori guide to lead our young group of children.

Meadows has been serving the needs of Western Montana children for 17 years. Located on 10 acres in the rolling Evaro Hills, just outside Missoula county, we are very much a country school. We chase chickens, ride horses, take hikes, build gardens.

Our ideal candidate is someone who will not only connect children to both the indoor and outdoor environments, but make a lasting contribution to our community and culture.

If interested please send your resume to mms.kinderhaus@gmail.com and we will get in touch.

Thanks!

Sylvia Miller

Head of School
