

Seeking Toddler and Primary Guide

Seeking both: experienced, AMI certified toddler and primary guide to work part time as lead guides in a family run co-op Montessori classroom for children ages 18 months to 3 years, and 3 to 6 years, with visions of becoming a full-running authentic Montessori school in the fall of 2016.

Guide must be fluent in English (Spanish is a plus); have experience as a guide in the Toddler Community/Primary community; and be passionate about the Montessori method, children and nature. Warm, loving, dependable, patient, open-minded, creative and eager to be part of a great project!

The current position is part-time, from 8AM to 1PM with two additional hours a week for lesson planning and parent education. Hourly pay starts at \$20, depending on experience.

If you are passionate about the Montessori method and are interested in helping kick start a project of love by guiding a small toddler community,
