

*The Montessori Children's House in Portland, Oregon is currently seeking to hire a Toddler Guide who will begin no later than Aug. 23, 2017. In addition to training, successful candidates demonstrate energy, imagination, and excellent communications skills.*

*We're near Downtown Portland in a vibrant neighborhood with many urban amenities, noted for its international residents and transit alternatives. Portland is a lively and growing city near beautiful coastline, mountains, desert. The area enjoys a strong Montessori community with a great training center that is located not far from MCH.*

*We are a small school with two toddler groups and two primary. We're in a beautiful space designed for us, with attractive materials and furniture. Benefits include fully-paid health insurance, paid days off, and professional development.*
