

## NOTICE REGARDING THE USE OF SUNSCREEN

### Toddler Classroom Parents

As we have an outdoor patio in each class and a large outdoor playground, the children are fortunate enough to be able to spend time outside on a daily basis. Thus, we must keep in mind their sun exposure and protecting them from the sun's harmful rays. **Please remember to apply sunscreen to your child in the morning before they come to school.** In addition, the teacher will apply sunscreen to your child on an as needed basis each day. As such we ask that you please **send in a bottle of sunscreen** (with your child's name on it). For health and safety reasons, your child will only be allowed to use his/her own sunscreen. Thank you for your understanding and your cooperation.

I, \_\_\_\_\_, agree to allow the teachers/staff at the Montessori Institute of San Diego Children's House to apply sunscreen to my child, \_\_\_\_\_, in the event that it is needed to protect his/her skin.
