

Montessori Primary Teacher Position

Noe Montessori has an opening for a full-time Montessori primary teacher beginning Fall 2018 or sooner. Noe Montessori is a new authentic Montessori in-home preschool, located in San Francisco in the vibrant neighborhood of Noe Valley. Our mission is to provide the highest quality support for the unique development of children and their families throughout the preschool years. The ideal candidate is not only passionate about teaching young children but also enthusiastic about the opportunity to join our hard-working team during our founding year, helping to build our program in service of our mission.

Responsibilities

- * Supervise and guide up to 12 children, ages 3-6 years old, using the materials and environment of our authentic Montessori indoor/outdoor classroom
- * Record daily observation notes of each child's development and progress in the classroom
- * Plan and implement customized curriculum and lessons to support the individual development of each student
- * Prepare and maintain order and cleanliness of classroom environment
- * Work closely with the school Director to maintain school policies, plan and implement parent educational offerings and services, and support the development of the school
- * Participate in regular parent conferences and meetings as needed
- * Train additional staff members as needed
- * Participate in additional trainings as needed
- * Maintain license (with support from the school) for large family childcare facility

Qualifications

- * AMI primary level certification
- * Experience teaching at the primary level
- * Excellent communication and listening skills (with both children and adults)
- * Strong teamwork skills
- * Positive, patient, and flexible disposition
- * Willingness to work flexible hours as necessary
- * Dedication to lifelong learning and personal growth
- * Commitment to creating an optimal learning environment for each child

Requirements

- * Completion of Pediatric CPR and Health, Safety & Nutrition Trainings
- * Current TB test and state required immunizations
- * LiveScan Fingerprint clearance
- * Compliance with state licensing requirements for in-home family childcare
- * Maintain primary residence at the schoolhouse
- * Authorization to work in the United States

Compensation & Benefits

- * Competitive salary based on experience
- * Generous Healthcare Reimbursement Arrangement (HRA)
- * Ample paid vacation and major US holidays
- * Funding for professional development
- * Beautiful housing in Noe Valley

Interested candidates may email a cover letter and CV to info@noemontessori.com.
