

POSITION: Head of School
REPORTS TO: Board of Directors
Location: Oakland, CA
Website: www.urbanmontessori.org

[Urban Montessori Charter School](#) (UMCS) is seeking a new Head of School (HoS) with a vision for success as we enter our next phase of evolution and growth. UMCS is the only public Montessori charter school in Oakland and serves a diverse student population reflective of the city. With a waiting list of over 100 potential students, UMCS enrolled 450 TK-7th students in 2017-2018, and is growing through 8th grade in 2018-2019. Our new HoS will have demonstrated passion and experience for teaching and working with students and a school community that explicitly works to be culturally, racially, ethnically, and socio-economically inclusive. The HoS will direct and collaborate with a strong team of leaders and educators, as well as work in partnership with engaged families, to continue building an educational community that not only enrolls, but truly serves all students. A successful candidate will be a passionate Montessorian, life-long learner with high ethical professional standards, commitment to social justice, and have a healthy sense of humor. This position reports to the Urban Montessori Board of Directors.

Urban Montessori Charter School came about because East Bay educators and parents desired to have a truly child-centered, research-aligned educational model be available to the public. UMCS aims to bring Dr. Montessori's methods and pedagogy into a 21st century urban learning environment that focuses on respect for child-centered inquiry, innovation, and mastery of both skills and knowledge. The mission of Urban Montessori includes developing self-directed and engaged learners who are academically, socially and emotionally prepared to succeed in any high school. With authorization from the Alameda County Board of Education, UMCS opened its doors in the Fall of 2012, was unanimously renewed in 2017 and will come up for renewal again in the 2021-2022 school year.
