

PRIMARY GUIDE IN CHRISTIAN SCHOOL

The Hearth Room combines Christian values with an authentic Montessori environment for ages 2.5 years - 6th grade, augmented by in-class cooking spaces, nature walks, a vision to offer opportunities for students to explore entrepreneurship and political involvement, Bible quizzing, and an on-site parent workspace. If this sounds like your dream, please reach out right away.

WHY AMAZING INDIVIDUALS WILL LOVE WORKING HERE:

- Be outdoors at work! Our school is located in a country-church setting on 4 acres of meadow with a wooded path around a small pond.
- Community of faith-focused colleagues
- Enjoy sharing your favorite activities like art, gardening, cooking, music, field trips, entrepreneurship, etc. with your students.
- Live in an affordable area, where the people are friendly, and the pace is slower, but there are still many opportunities for arts and cultural experiences.

Full-time position includes paid time off, possibility for bonuses, and tuition discounts. We are working to recruit dedicated cleaning persons, so you can focus on lesson planning and parent communication at the end of the day.

The Hearth Room is led by an experienced school founder, who is AMI-trained at both the Primary and Elementary levels.
