

Imagine classrooms surrounded by nature and grapefruit groves. Imagine a campus with Montessori environments from 18 months through 18 years. Imagine living in a place where there is sunshine 280 days a year, but you can still see high mountains, snow-capped in the winter, when the children go outside to play. Imagine a school where staff members stay for 10, 20, even 30 years, because they feel respected as professionals and it is simply a great place to work.

Montessori in Redlands is looking for an AMI Elementary diploma holder who is ready to support six elementary classrooms in their administration. A successful candidate will demonstrate a deep knowledge of the elementary pedagogy along with skills in communication, organization and collaborative work.

The Elementary Level Coordinator is a 12-month contracted position beginning July 1, 2018.
