

PRIMARY ASSISTANT

Are you interested in working with children in a warm and nurturing environment? Adams Montessori School in Quincy, Massachusetts is seeking a full-time (8-3:15) classroom assistant starting in January of 2018. Assistants in our AMI Montessori program work with the lead teacher to prepare and maintain an orderly, attractive, and joyful environment. They provide another pair of observant and attentive eyes and ears. Classroom assistants are also crucial in modeling courteous and respectful behavior.

Experience is not necessary, though applicants with experience in child care or child development are preferred. We are walking distance to public transportation. Email nicole@adamsmontessori.org for more information and to set up an interview and classroom observation.
