

Inspire the next generation of innovators.

Become part of Discovery, a vibrant, high-quality Montessori community for children aged 10 weeks to 6 years.

The Opportunity

We are conducting a nationwide search for an **AMI-trained toddler Montessori guide** to lead their own toddler classroom beginning in May 2019. Through your efforts, children will fulfill their developmental potential with authentically prepared, exceptionally executed Montessori.

Are you a passionate guide with an AMI assistants to infancy 0 - 3 diploma? Do you aspire to lead your own toddler classroom while being part of a one-of-a-kind school community that is inspiring the next generation of innovators? Do you want to feel valued for the transformative work you do with:

- Competitive compensation
- Generous medical benefits including plans with premiums that are free for employee-only coverage
- 401(k) savings opportunity including match
- Restorative work-life benefits including substantial paid time off and a host of paid holidays throughout the year
- On-going career development

About Discovery

Discovery is a collaboration between Xplor Education and a leading Southern California aerospace company to form an innovative Montessori community for children of our collaborator's employees. While their parents develop the breakthroughs that are revolutionizing space exploration, their children will grow into the next generation of innovators in a way that only authentic Montessori can provide.

Discovery's beautiful facility is located in Hawthorne, California, near the intersection of Crenshaw Boulevard and El Segundo Boulevard.

About Xplor Education

Xplor Education partners with America's most innovative companies to provide distinctive Montessori early childhood education that leads to more capable individuals, happier families, healthier organizations, and stronger communities.
