

Santa Cruz Montessori School
Upper Elementary (9-12) Guide
August 2019

Santa Cruz Montessori School is seeking an elementary guide to take over a beautiful, well-established Upper Elementary classroom. Come join us in a supportive and authentic Montessori community.

Our school is located within walking distance of the beautiful beaches and redwood forests of coastal California. We are a mature school currently celebrating our 54th year. With a Young Children Community, four Primary, three lower elementary, two upper elementary and an adolescent program, we serve approximately 250 students.

Our future elementary guide will have excellent interpersonal and communication skills, class management skills, AMI Elementary training, and a Bachelor's Degree. A minimum of three years of experience in a Montessori elementary classroom is required. We offer a competitive salary and benefits and are an equal opportunity employer.

For further information on Santa Cruz Montessori, please see our website at scms.org.
