Are you a passionate, Montessori trained teacher? Do you want to be part of a team of people working to grow the Montessori movement? Join our team and lead your very own classroom in one of our beautiful campuses across the United States. **Because we open schools year round, we accept applications on a rolling basis. You will be provided with a full set of high-quality materials from leading manufacturers, along with a classroom budget to make your classroom unique.

**We have Mandarin and Spanish immersion programs at select campuses and would love to speak to native Mandarin and Spanish speakers with Montessori training!**

We have an amazing team of AMI-trained Montessori Mentors who will be available to lead professional development, provide feedback, and help develop your skills even further.

We offer competitive salaries, health, dental and vision insurance, as well as a generous tuition discount. **We also provide immigration assistance and visa sponsorship to guides coming to us from other countries.**
