

MISD
THE MONTESSORI INSTITUTE OF SAN DIEGO

**Children's
House**

AMI *English Toddler Guide Needed!

The MISD Children's House is looking to fill an immediate English Toddler Guide position due to an unexpected departure by our current guide.

Located in beautiful La Jolla, California, we are seeking an A to I trained guide (with an AMI Diploma) who has a desire to work in a bilingual community that deeply embodies the values of the Montessori philosophy. In addition, we are seeking an applicant with leadership, the ability to problem solve, organizational skills and one who can communicate effectively with parents and staff.

This is a great opportunity to work in a classroom that serves as the model school for the MISD Training Center. Please visit our website at www.misdami.org for more information.

*Must be fluent and proficient in English (both written and spoken).

Resumes and letters of interest should be sent to:
