

Education for an inventive life.

MONTESSORI SCHOOL of ROCHESTER

Under the direction of the Head of School, the Elementary Teacher will lead a lower elementary classroom of students age 6-9 years for the remainder of this school year. The class currently consists of 15 first and second year students, as our elementary program is in its second year at our school. The Elementary Teacher will be responsible for presenting the elementary curriculum to students, participating in parent education and conferences, record-keeping, and assessment. We are looking for a candidate who has had AMI Elementary training, or is currently in a training program.

This position will likely continue into the next school year.

We are offering a competitive salary, and a possible housing stipend for someone who would be willing to relocate.
