

Ojai Meadows Montessori has been a thriving Children's House since 2011. We are loved in our community, have a robust waitlist and a wonderful parent community.

We are seeking either a 3-6 guide for our well established Children's House or an elementary guide with 6-12 training for our growing elementary program.

Ojai Meadows Montessori is expanding into a beautiful new campus in the fall of 2023. We are considered one of Ojai's exceptional schools by parents in our community. This is a fantastic opportunity for a new or experienced teacher.

We have beautiful, complete environments and a well resourced team of support staff. Both classrooms will have a full time, experienced assistant teacher. Our dedicated Head of School who has her 3-6 AMI training and over 20 years of classroom experience is able to offer mentorship and support to a new guide.

Ojai Meadows is situated in Ojai, California, an especially beautiful and desirable place to live. Ojai is known for its progressive, health oriented culture, is home to many notable restaurants, artists, events, stunning farmer's markets and hiking trails. Ojai has the benefit of feeling like a small town and is surrounded by magnificent wilderness and open spaces while also being just 30 minutes from the Pacific Ocean and Rincon Beach one of California's most famous surf points. Within a 45 minute drive either north or south one can reach the greater cultural opportunities in Santa Barbara and Los Angeles.

Our community of parents and staff is able to assist with finding suitable housing for a candidate who will be relocating.
