

Early Childhood Lead Teacher:

Nature's Classroom Institute and Montessori School is looking for an Early Childhood (3-6) Certified Teacher to start in our program August 2023. The qualified teacher would be working in a fully-supplied, strong and robust classroom of 34 students, with 2 assistants. Nature's Classroom Montessori prides itself on its adherence to strong Montessori principles with the addition of a strong outdoor and environmental philosophy. The hired candidate should be willing and excited about the use of the outdoors as part of the curriculum while exhibiting a deep understanding of the Montessori philosophy. Competitive salary based on AMS standards. Interested candidates should send in their resume to Head of School, Deepa Shreekumar - deepa@nciw.org

Early Childhood Assistant/Intern:

Nature's Classroom Institute and Montessori School is looking to hire a full-time assistant / intern (from a MACTE-approved training program) in their Early Childhood classroom for the 2023-24 academic year. The hours are 7:30am -3:30pm. We are a small school looking to find a person interested in growing their career through their love of working with children in an authentic Montessori classroom, with a strong outdoor component. Ability to teach Spanish and prior experience n a Montessori classroom would be preferred. Interested persons may contact Deepa Shreekumar, Head of School at deepa@nciw.org for more details.
