A to I Certified Guide

Located on over five acres just north of the city of Bellingham, WA and a quick drive to the Canadian border, Meadows Montessori is a beautiful place to work! Our school is home to a small flock of wool producing sheep and a number of laying hens. The MMS campus is full of plants, fruit trees, and all kinds of wildlife to observe. With close proximity to Western Washington University and both Lummi and Nooksack Nations, our staff and students have a diversity of opportunities to learn from and connect with the greater community.

We are currently seeking applications for an A to I diploma holder to lead our classroom for the 2023-2024 school year. This is an exciting opportunity to join our team and help shape our program!

Serving children ages 15 months through 12 years, Meadows Montessori School (MMS) is committed to a high-quality Montessori education with affordable tuition, reaching an economically, racially, and culturally diverse community. MMS engages in a whole child, place based approach to our curriculum.

This is an annual 10-month renewable contract beginning August 2023. Salary range is \$40k-\$48k. MMS benefits include a monthly health stipend, a Simple IRA matching program, and a one time relocation allowance.
