

Kinderhouse Montessori School is located in beautiful San Diego, California is growing our AMI Montessori program. We are seeking the following positions as we grow:

- A to I Primary Guide starting Summer 2018 or Immediate
- Primary Guide - Immediate
- Montessori-trained assistants *Spanish or Mandarin-speaking preferred - Immediate

Primary Guide - Immediate

A candidate for the Guide positions must be AMI-trained, professional, excited about sharing the AMI and Montessori philosophy with parents and should be capable, confident, warm, patient and establish firm limits. Guides are responsible for presentations, classroom management, parent communications, parent educations, maintaining student records and supporting a school environment that is positive and centered on the growth and development of each child while following AMI, DSS and KHM guidelines.

A to I Primary Guide - Immediate

Kinderhouse Montessori School values the relationships between the Kinderhouse team, children and the parents. It is essential that the guide takes "ownership" of the classroom. The Guide should be conscientious about the classroom appearance, communication with the children and the parents and should maintain great safety awareness. It is important that we see the parents as partners in the education of the children and we strongly encourage the Head Guide to engage with the parents while following AMI, DSS, and KHM guidelines.

Montessori Classroom Assistants

Applicants should enjoy working with children and be comfortable providing a warm and enriching educational environment with an attention to visual supervision and safety. The position also requires working with other after school teachers to develop lessons plans and activities.
