Your creativity and autonomy will be honored as you inspire the love of learning within your classroom. As a valued team member of our non-profit, independent Montessori school community, you will be well compensated with a competitive salary, health insurance stipend, retirement fund match, an annual classroom material allowance, professional development, an 80% tuition discount, optional summer hours, and reimbursement of 50% of your training fees over three years.

We are located five miles from downtown Milwaukee with access to parks, the Milwaukee River, and our all natural playscape.
