

WINN
ELEMENTARY SCHOOL
AUSTIN Independent School District

Winn Elementary (Austin Independent School District) seeks two Lower Elementary Teachers (6-9) to open two brand new public Montessori classrooms in the 2018/2019 school year. We are seeking one Bilingual Guide (Spanish) and one ESL Guide. In addition to meeting the intellectual, social-emotional and physical need of each child in their care, lead guides are responsible for ensuring alignment between Montessori principles and State and District standards.

Winn's Montessori program opened last year with 5 Children's House classrooms. We are opening our Lower Elementary classrooms with only 1st graders and will be adding another grade level each year until we reach 5th grade.

We are seeking applicants who are dedicated to cultivating joyful learning environments for children and adults alike and who are flexible and understand the growing pains that come with establishing a new program. With those growing pains comes an opportunity to impact the educational landscape for children in Austin.

Applicants can find more information regarding the opportunities at Austin Independent School District's "jobs" page.

If you have any questions, please email: katelyn.kitchens@austinsd.org
