

**Seeking 3 positions:**

Passionate Primary Montessori Teacher for children with Absorbent Minds. In addition to being drawn to work with 2 1/2 - 6 year olds, candidate needs classroom management experience, enjoy sharing their knowledge with parents and be a lover of learning.

Elementary Teacher: applicants need to be drawn to elementary aged students, a self-starter, creative, and lover of learning. Upper and Lower positions are available and students are excited for cosmic lessons, outings, helping the community, being role models and doing a variety of works with and without materials (as they progress to abstraction).

Adolescent trained guide for small new Adolescent Montessori program beginning 20018/2019 school year. An experienced Montessorian, a self-starter, efficient communicator and creative candidate is ideal for this position. The beginnings of this program are outlined and we are excited to have an energetic guide implement and make this their own based on their training.

All applicants must deeply desire living in a small, snowy rural-resort mountain community. Start dates for each position pending background checks, interviews and references.

Please know, our community school district is a 4-day school week – Monday – Thursday 8am – 4pm.
