

Maryland Avenue Montessori School

Milwaukee Wisconsin

Part of the Milwaukee Public Schools (MPS)

Seeking a Montessori Elementary Teacher for the 2019-20 school year

Maryland Avenue Montessori School is located in the heart of Milwaukee's historic and culturally diverse East Side. We are a culturally and economically diverse Montessori School for students in K3-Grade 8, providing a well-rounded, high quality education which prepares students for life. Maryland Avenue Montessori is part of Milwaukee Public Schools' Montessori Program that offer all children of Milwaukee the benefit of a quality Montessori education from K3 through grade 12. Staff, parents and community partners work together to create a supportive community and learning environment where character development, creativity and high academic achievement are valued.

The school principal, Joe DiCarlo, is dual trained (AMI Primary and Elementary) and taught in private and public Montessori schools, with 28 years of professional Montessori experience, in addition to a childhood Montessori foundation.

Starting salary for a teacher is approximately \$42,000 a year with very competitive health, dental and vision benefits. Additionally, teachers are invested in the Wisconsin Retirement System. (WRS).

Newly trained Montessori teachers must obtain a Wisconsin state teaching license within one year of employment. In Wisconsin, there is an alternative Montessori state teaching license track to meet this requirement.

Come join a wonderful public Montessori community!
