

Hi!

I am looking for a spanish speaking individual for the summer!

We are currently living in Madrid, Spain but I am looking for someone to help with my three kids during the months of July and August.

My children are 13, 11 and 10 and I need someone to help watch (and possibly drive - not a requirement and I have a car) them a few days a week while teaching Spanish.

Hours and days are totally flexible but days needed are Tuesday, Thursday and Saturday. Preferably all three days.

Please contact me via email marjanehmiller@me.com if you are interested!

Thank you so much,

Marjaneh Miller
