

- **About Angie's Children House**

Angie's Children House is a licensed Bi-lingual Family Childcare Facility located in Irvine, California. It is Montessori Education Environment for all children.

- **Mission and Goals**

Our goal at Angie's Children House is a place where to provide thinking skills, the essential of knowledge and strength of character. It allows children develop socially, physically, and emotionally. We strive to unite the best element of the Eastern and Western traditions and practices, the growth of the individual's inquiring mind as well as cultivate a sense of personal responsibility and social welfare of all. Our curriculum is designed to be developmentally appropriate for each age level, rooted in bilingual education in multicultural environments. We utilize instructional and information technology, fusing both Western and Chinese philosophies for character formation. Our holistic approach to education involves cooperation with parents, family, community and the world around us.
