

LePort Montessori Encinitas is looking for an A to I teacher or teacher in training to cover for a 5 month maternity leave beginning in August. We are also looking for two fantastic primary guides, one for an English speaking classroom, and one for a Spanish immersion classroom, at a sweet and cozy little Montessori school in beautiful Encinitas, California. Encinitas is a robust and vibrant seaside town with great beaches, lots of yoga, and a community that places a priority on living a conscious and healthy lifestyle. We are a small, charming little school that is a part of a network of Montessori schools (LePort Montessori), and this is a wonderful opportunity for new or seasoned guides to grow with a school that is transitioning from an emerging campus to an established one. If you are interested in being a part of this close and caring school community, please send your resume to [lrising@leportschools.com](mailto:lrising@leportschools.com).
