

**Lower Elementary (6-9 year-old) Montessori Teacher, 2019-2020 school year**

**Lumin Lindsley Park Community School** in Dallas, Texas, is an open enrollment public charter school. We serve the children not ordinarily served by tuition-based, private schools: urban, low-income, English language learners. This is a dynamic school for those who are drawn to serve a receptive, under-served segment of the population. Our school is set up to succeed: cohesive staff, involved parents, outstanding facility (indoors and out), well equipped and maintained, and very sound business and development support.

**Requirements:** Montessori certification (AMI preferred or willingness to obtain AMI certification), bachelor's degree, legal work status in the U.S., a passion for teaching, and the temperament to engage children from diverse home backgrounds with a wide range of learning styles.

**Compensation:** competitive salary; health insurance; life insurance; assistance with moving expenses; state retirement system (TRS) *and* employee paid private retirement account (TIAA-CREF)
