Are you eager and excited to educate the minds of tomorrow? Would you like to work with a team of educators that supports you like family? Are you looking to strengthen and fine-tune your professional skills and tool-set at a unique, premier Montessori school with over +25 years of experience and proven pedagogy in the Bay Area? Does this describe some of the key qualities you are looking for in a school? At Casa dei Bambini, this is how we hope you feel, everyday, as you welcome your students into your classroom. We understand that a happy teacher makes a happy class.

Casa dei Bambini school is hoping you will join our Pre-Primary classroom (age 2-3). We are an international and multicultural Montessori school in the heart of the Silicon Valley that provides the highest quality early childhood education, in a beautiful and enriching environment. We are an NAEYC accredited school that has been promoting children's well-being, safety, and self-esteem for more than +25 years in our community.

The ideal candidate:

- Fast paced in synergetic environments
- Great communication skills
- Knows when to be autonomous and when to be a leading collaborator
- Team player that will promote the Casa dei Bambini culture of maintaining the highest standards

CdeiB offers a competitive full-time annual salary commensurate with experience and education. That means an annual salary + benefits! Our benefits include medical, dental, visa assistance for legal status holders, and free tuition (for children that qualify). Further, we are continuously professionally developing our teachers. Our Education Fund is there to help our teachers further their education, to register for conferences, to attend talks and lectures, and more.

Qualifications for Pre-Primary Montessori Teacher:

- AMI/AMS certification
- Bachelor's degree. Graduate degree preferred
- Experience with Pre-primary level (Toddlers, 2-3 yrs.)
- Strong written and verbal communication skills, with willingness to engage with parent community
- Familiarity with MS Office and email, cloud, and internet literate
- Passion for Montessori education and desire to grow and develop professionally

- Ability and desire to handle the demands of a premier school in the highly invigorating environment of Silicon Valley
- Immaculate attention to detail, etiquette, and hygiene
