Seeking Certified Montessori 0-3 educators

Mon Ecole Dubai was established in 1979

Mon Ecole is a family run nursery. The founder Maha Sahyoun established the nursery in 1979 as one of Dubai's first nurseries. It quickly achieved and maintained its status as one of Dubai's most respected nurseries. In Jan 2015 we opened a second branch that follows a bilingual Montessori curriculum.

The age groups are:

Nido (4-14 months)

Toddler (15-30 months)

Casa (30 months +)

We're looking for a 0-3 certified AMI Montessori teacher for the Toddler class.

Accommodation and transport allowances will be provided. If interested kindly send your cv to [salim@monecole.me](mailto:salim@monecole.me)
