## Company Description

Hermosa Montessori School is a PreK - 8th grade, public charter school based out of Tucson, Arizona, United States. The school was founded in 1979 and is located on a stunning 16-acre property surrounded by mountains, river washes, towering Saguaro cactuses, and unique Sonoran desert wildlife. All of the walls in each building contain large windows, providing students and staff with a beautiful environment in which to learn and grow. Hermosa, the Spanish word for 'beautiful', very appropriately describes our campus and learning experiences happening here every school day.
