

Pioneer Meadows Montessori School in Ferndale, WA is seeking an Education Director to help lead our AMI recognized school. Pioneer Meadows is a close-knit, economically diverse community of families, teachers and staff.

As our Education Director you will have the opportunity to help lead our stable, fully enrolled school. Foremost, you will work with fantastic staff members and children. You will also connect and inspire our parent community and the community beyond.

Established in 2004, Pioneer Meadows is an independent, not-for-profit Montessori school that serves approximately 115 children ages 3 to 12. Our beautiful five-acre campus is located just outside Bellingham in Whatcom County, Washington State with close access to both beaches and mountains. Our school is also adjacent to 20+ acres of city-owned green space, a pond and a salmon creek. We have a lovely 10,000 sq. ft. facility, a positive student and staff culture, a passionate commitment to authentic Montessori education, and a warm, supportive parent community.

We are looking for an Education Director with a warm demeanor who can establish a trusting relationship with parents and staff. Our long-time founding teacher/Education Director is leaving to pursue AMI Elementary Training of Trainers. We are filling this position, which works in collaboration with the Administrative Director, to provide school leadership. The right candidate will have a passion for AMI Montessori and be excited to bring Montessori to more families, including children who have developmental and physical challenges.

The right candidate will hold AMI Primary and Elementary Diplomas, a Master's Degree (preferred), supervisory experience and have 3-5 years experience at each level.

For more information, please contact [careers@pmmontessori.org](mailto:careers@pmmontessori.org)

Please send letter of interest, resume and three references to [careers@pmmontessori.org](mailto:careers@pmmontessori.org)

We will consider applicants for a start date of either July 2016 or July 2017.

Application deadline is March 15 for the July 2016 start date.

We will be at the AMI Refresher Course in Long Beach. Come to our Meet and Greet table to learn more!
