

We are an authentic and traditional AMI Montessori school. We are members of AMI and NAMTA (North American Montessori Teachers Association) who are also affiliates to AMI. We currently have two locations in the Bay Area, in the North and West part of San Jose. We serve children between the ages of 18 months to 12 years. We are looking to fill the position of an AMI trained elementary guide immediately at our West San Jose location.

Pay and benefits will be commensurate with qualifications, credentials, skills and experience.

We will also consider reimbursing currently enrolled AMI elementary students on a case-by-case basis, who are willing to relocate and open to working at our school as the elementary guide.
