Annette Island School District is seeking an AMI trained primary and elementary teacher for Fall, 2016. Alaska teaching certification is required or willingness to enroll in certification program. District will consider sponsoring a certified teacher to training beginning Summer 2016.

Our school is located in Metlakatla, AK, on beautiful Annette Island, a short 45 minute ferry ride from Ketchikan. Metlakatla is home to the Tsimshian Alaska Native community and is in its third year of transitioning our primary/elementary program to a fully implemented Montessori program. We are expanding from our current three primary to one lower elementary classroom.

In addition to the Montessori program, the district incorporates a rich Tsimishian language and culture program. A supportive staff, administration and excellent benefits are hallmarks of this employment opportunity. The position includes affordable housing and easy access to the nearby trails, beaches and fishing.

Resumes may be sent to:
