

# Montessori Elementary Classroom Assistant at New School in San Francisco - must be fluent in Spanish!

## ABOUT MISSION MONTESSORI

[Mission Montessori](#) is San Francisco's first private Montessori elementary school. We are opening this August in the Mission at 450 Guerrero (between 16th and 17th street) and we're looking for a bright and enthusiastic team player to join us as our Elementary Classroom Assistant.

In addition to being San Francisco's first private Montessori elementary school, we will also be the first private Spanish bilingual school. We're looking for an Assistant who is fluent in Spanish and English and has a passion for teaching the Spanish language and culture.

Previous teaching experience is nice, but not required. We're more interested in finding someone who loves working with children, has a positive and patient demeanor, and is committed to personal growth.

## ABOUT YOU

You love seeing a child's face light up when she has discovered something new. You are eager to learn from and to support an experienced lead teacher in maintaining the Montessori "prepared environment". You are warm and empathetic with parents and good-natured with coworkers. You have native or near-native fluency in both written and spoken Spanish, as well as strong English-language abilities. You are excited about teaching our students Spanish, singing in the classroom daily, leading our enriching after-school programming, and helping young minds grow to their full potential!

## ABOUT THE ROLE

This is a full-time position for ten months of the year starting in August. The daily schedule is 8:30am-5:30pm with breaks. The lower elementary classroom is a bilingual environment in which you will consistently speak Spanish with the children, so bilingual language ability is a must. Candidates must possess a bachelor's degree. Prior Montessori experience is not needed, just a great attitude and a desire to learn!

We offer attentive administrative support, competitive wages and benefits including vacation, generous paid time off, health insurance, and professional development, a beautiful working environment, and the opportunity to work with a dedicated community of educators.
