

Montessori Infant /Toddler Positions:

Nurturing Nest Montessori School is seeking Infant/Toddler credentialed lead teachers, or adult learners who are currently enrolled in a Montessori teacher education program, to fill openings in our growing programs.

Full time positions are available at both the Infant (4mo -18mo) and Toddler (18mo-36mo) levels. Applicants should be passionate about the Montessori Philosophy and its importance for the very young. Our staffing model embraces a Team approach valuing teachers with initiative, good communication skills, and dependability.

Time outdoors is highly valued at each level and teachers should be supportive of this aspect of the curriculum.

Competitive salary and an inspiring work environment are among the offered benefits.

NNM is an independently owned and operated Montessori community serving children from infancy through kindergarten, conveniently located in Columbia, Maryland.
