diversity growth joy

**CLEVELAND MONTESSORI
JOB OPENINGS
2015-16**

Cleveland Montessori has two open positions for the coming school year. Recent Montessori trained graduates or others interested in these positions are encouraged to apply.

1) Lower Elementary position for a start up classroom. The school is in the process of renovation of a new building and will be moving mid-year. At that time, the current lower elementary classroom will be divided to create a start up class of 8-12 students. While in our current space, the new guide would work side-by-side with the current teacher and share the lower elementary environment/materials. Responsibility for the students who will be in the "new" class would be designated from the start of the year. This is an ideal position for a newly trained elementary guide.

2) Adolescent support and instructional aide. This could be a full or part-time position. The individual applying for this position would be providing some instruction and support; particularly in writing, reading and humanities. He/she would provide support to the adolescent program coordinator and participate in service and environmental related experiences - so should be comfortable in the outdoors.

Interested persons should contact: Tina Schneider
