Mountainside Montessori School is currently accepting applications for an **AMI Primary Guide for the 2017-2018 school year.**

Mountainside Montessori School was established in 2003 and is committed to the principles of the Montessori philosophy. Our school offers a creative, supportive environment that integrates sustainable agriculture, environmental literacy, and free play in nature with a solid academic program. We currently serve children aged 18 months to 15 years.

Mountainside has a beautiful and unique new campus on a 10-acre farm in the historic town of Marshall, VA. Our new building allows us to incorporate indoor and outdoor spaces and reflects our mission as stewards of the environment. Located at the foothills of the Blue Ridge Mountains, the new campus is surrounded by beautiful horse farms, steeped in American history, and just one hour away from our nation's capital.

Candidates must be AMI Primary trained. They must be motivated and flexible with a fun-loving nature and a strong desire to work with children and their families. The ideal candidate would be passionate, dedicated, and enthusiastic about fostering a lifelong love of learning.

Please send cover letter and resume to:
