Tempe Montessori School is looking for an outgoing, motivated Elementary teacher to join our family. TMS, established in 1978, has been educating children for 37 years and is located in the heart of beautiful Mesa, Arizona close to all major downtown areas and just hours away from a mountain get-away or a beach escape. Tempe Montessori School proudly provides classrooms for children ages 3 months to 12 years old. We are located on 1.5 acres of land with free-range chickens, a koi pond and many different farm animals. Our committed families and surrounding communities make our school feel like a home.
