Hi there! I have a small home preschool with 6 children attending each day, currently between the ages of 2 ½ and 4. I am looking for a special person to assist in the program. Ideally, someone who is calm, patient, kind, loves working with children, reliable, consistent, positive, gentle but firm when necessary, and able to assist me in various ways (classroom management, child safety, bathroom assistance, redirecting behavior, preparing crafts, cleaning and keeping the classroom beautiful, etc.) Experience and training as an assistant are a plus, but not required.

Hours are 8:30 – 12:30; Monday or Tuesday through Friday

Compensation is \$10 an hour.

You **MUST** be able to commit to at least the full school year (September – June)

If interested, please look at website to learn more about the school, feel free to email any questions and send your resume to livingrootspreschool@gmail.com

I am looking to hire someone immediately!!
