AMI Membership: It is an AMI requirement that all trainees have an active membership throughout the course of their training. You must provide an AMI membership number valid through the end of the calendar year (December 31st) when **registering** for each summer. Please budget up to \$100 to complete this requirement in May 2019 and May 2020. Information about purchasing the membership will be sent to you with the registration form at those times.

If you have a membership that will expire during the training, you will be required to renew it prior to registering, no exceptions. Any overlap in membership will be added to the end of your membership period.

Other Expenses: Please budget an additional \$700-\$1400 beyond the course tuition for books, supplies, student expenses, future classroom materials, transportation to observation and practice teaching, etc.
